Checklist of sustainability initiatives

<table>
<thead>
<tr>
<th>Item</th>
<th>Sustainability initiatives</th>
</tr>
</thead>
</table>
| (1) General affairs | Regarding compliance with relevant national and international laws, regulations, etc.,  
■ we have a relevant policy/plan/code of conduct; ■ we are taking preventive measures based on relevant rules/systems;  
□ we are conducting awareness-raising/dissemination; □ we are making other efforts;  
□ we are not doing anything in particular, but are planning some efforts; □ we are not making or planning any efforts (or given the specific nature of our business, we don't apply; hereinafter, the same). |

   (Description/Explanation on initiative details)  
   • We have formulated a company-wide code of conduct that includes execution of legitimate operations for the thorough implementation of compliance.  
   • Having set up a department in charge of compliance, we conduct periodic audits and monitoring of compliance.  
   • We send our employees as participants to compliance training organized by industry groups.  

   (Entry example)  
   • In our Regulations on Whistle-blowing, we guarantee that secrets related to reporting, such as whistleblowers’ secrets, are protected, and that whistleblowers are not treated disadvantageously in personnel matters. |

</tbody>
</table>
### iv. Respect for women’s rights

**Code : page 7**

Regarding respect for women's rights, through the promotion of women's empowerment and a gender-equal society,

- **we have a relevant policy/plan/code of conduct;**
- **we are conducting awareness-raising/dissemination;**
- **we are making other efforts;**
- □ **we are not doing anything in particular, but are planning some efforts;**
- □ **we are not making or planning any efforts.**

(Description/Explanation on initiative details)

- We have formulated a diversity inclusion policy, including support for female employees to play active roles.
- We're promoting support for women's career formation, and the improvement of the work environment.

### v. Respect for the rights of persons with disabilities

**Code : page 7**

Regarding respect for the rights of persons with disabilities, through supporting their participation in economic and social activities,

- □ **we have a relevant policy/plan/code of conduct;**
- □ **we are conducting awareness-raising/dissemination;**
- □ **we are making other efforts;**
- □ **we are not doing anything in particular, but are planning some efforts;**
- □ **we are not making or planning any efforts.**

(Description/Explanation on initiative details)

- We're working on the creation of a work environment also friendly for employees with disabilities by providing reasonable considerations, such as creating barrier-free business establishments, and reviewing working methods according to characteristics of disabilities.
- We are authorized by the local municipality as a company to support disabled worker's employment.

### vi. Respect for children's rights

**Code : page 7**

Regarding respect for children's rights, through supporting children’s healthy growth,

- □ **we have a relevant policy/plan/code of conduct;**
- □ **we are conducting awareness-raising/dissemination;**
- □ **we are making other efforts;**
- □ **we are not doing anything in particular, but are planning some efforts;**
- □ **we are not making or planning any efforts.**

(Description/Explanation on initiative details)

- Safety tests focusing on the use by children are essential for our products.
- We have established a flexible working system for employees currently raising children.

### vii. Respect for the rights of social minorities

**Code : page 7**

Regarding respect for the rights of social minorities, through supporting their ability to enjoy equal economic and social rights,

- □ **we have a relevant policy/plan/code of conduct;**
- □ **we are conducting awareness-raising/dissemination;**
- □ **we are making other efforts;**
- □ **we are not doing anything in particular, but are planning some efforts;**
- □ **we are not making or planning any efforts.**

(Description/Explanation on initiative details)

- We have established a consultation counter at which foreign employees, LGBT (lesbian, gay, bisexual and transgender) employees, and employees with disabilities can convey their opinions and requests. The consultation counter considers the security of consultants' privacy.
- To promote understanding of different cultures, sexual orientation & gender identity, we offer training, workshops, and seminars for each level of employees.

### (4) Labour

#### i. Compliance with and respect for international labour standards

**Code : page 8**

Regarding the optimisation of all labour issues in line with international labour standards,

- □ **we have a relevant policy/plan/code of conduct;**
- □ **we are conducting awareness-raising/dissemination;**
- □ **we are making other efforts;**
- □ **we are not doing anything in particular, but are planning some efforts;**
- □ **we are not making or planning any efforts.**

(Description/Explanation on initiative details)

- Our compliance code of conduct clearly stipulates our support for the ILO Core Labour Standards.
- Since we created our personnel and human resource management manual, we have made this manual known to all employees, and have conducted periodic checks on the implementation status of this manual.

#### ii. Freedom of association and the right of collective bargaining

**Code : page 8**

Regarding the respect for the right to establish and join a labour union and the right to negotiate freely with one's employer,

- □ **we have a relevant policy/plan/code of conduct;**
- □ **we are conducting awareness-raising/dissemination;**
- □ **we are making other efforts;**
- □ **we are not doing anything in particular, but are planning some efforts;**
- □ **we are not making or planning any efforts.**

(Description/Explanation on initiative details)

- Our labor agreement with the labor union clearly stipulates that our company shall approve the legitimate exercise of workers' rights, and that our employees will not be treated unfairly due to being a union member, or by engaging in legitimate union activities.

#### iii. Ban on forced labour

**Code : page 8**

Regarding the prevention of forced labour and human trafficking,

- □ **we have a relevant policy/plan/code of conduct;**
- □ **we are conducting awareness-raising/dissemination;**
- □ **we are making other efforts;**
- □ **we are not doing anything in particular, but are planning some efforts;**
- □ **we are not making or planning any efforts.**

(Description/Explanation on initiative details)

- Our company's code of conduct clearly stipulates with some concrete examples that our company shall not force any employees to work or make them work against their will. Furthermore, after making a similar request to our supply chains, we continuously carry out monitoring on the related situation.
- In our education for employees, we have made our policy to ban any forced labor known to them.
| Code : page 8 | Regarding the prevention of the employment of children under the minimum working age,  
- we have a relevant policy/plan/code of conduct;  
- we are taking preventive measures based on relevant rules/systems;  
- we are conducting awareness-raising/dissemination;  
- we are making other efforts;  
- we are not doing anything in particular, but are planning some efforts;  
- we are not making or planning any efforts.  
(Description/Explanation on initiative details)  
- Our rules of employment stipulates that our company shall not hire any persons under 15 years old.  
- The check items for employees at the time of their employment include their ages at the time of joining our company. In particular, for employment overseas, we ensure thorough confirmation of ages through verifiable methods. |
|---|---|
| Code : page 8 | Regarding the prevention of discrimination in employment or promotion for reasons other than reasonable factors such as abilities and aptitude,  
- we have a relevant policy/plan/code of conduct;  
- we are taking preventive measures based on relevant rules/systems;  
- we are conducting awareness-raising/dissemination;  
- we are making other efforts;  
- we are not doing anything in particular, but are planning some efforts;  
- we are not making or planning any efforts.  
(Description/Explanation on initiative details)  
- Advocating ban on discrimination and equal opportunities, we have formulated a policy on human rights that stipulates concrete procedures to realize the advocacy, and have announced the policy as the top management's commitment both inside and outside the company.  
- Our internal rules stipulate that our company shall perform employment screening based on applicants' aptitudes, abilities, and motivation, regardless of their gender, nationalities, beliefs, ages, and sexual orientation & gender identity, etc. |
| Code : page 8 | Regarding the proper payment of wages based on related laws and ordinances,  
- we have a relevant policy/plan/code of conduct;  
- we are taking preventive measures based on relevant rules/systems;  
- we are conducting awareness-raising/dissemination;  
- we are making other efforts;  
- we are not doing anything in particular, but are planning some efforts;  
- we are not making or planning any efforts.  
(Description/Explanation on initiative details)  
- Collating the latest minimum wage of each prefecture in the salary database, we have confirmed that our company does not violate the minimum wage requirement.  
- In our business establishments overseas, we have established rules conforming to all local wage-related laws and regulations, and we provide wages based on those rules. |
| Code : page 8 | Regarding the prevention of long working hours that exceed the legal limit or the limit set by a labour-management agreement,  
- we have a relevant policy/plan/code of conduct;  
- we are taking preventive measures based on relevant rules/systems;  
- we are conducting awareness-raising/dissemination;  
- we are making other efforts;  
- we are not doing anything in particular, but are planning some efforts;  
- we are not making or planning any efforts.  
(Description/Explanation on initiative details)  
- As a labor-related CSR policy, we advocate control of overwork.  
- Managing working hours by week, we warn employees who have reached a fixed overtime limit.  
- Our company was granted Eruboshi certification based on the Act on Promotion of Women's Participation and Advancement in the Workplace, and Kurumin certification based on the Act for Measures to Support the Development of the Next Generation. |
| Code : page 9 | Regarding the creation of a working environment and conditions where workers can work safely and healthily,  
- we have a relevant policy/plan/code of conduct;  
- we are taking preventive measures based on relevant rules/systems;  
- we are conducting awareness-raising/dissemination;  
- we are making other efforts;  
- we are not doing anything in particular, but are planning some efforts;  
- we are not making or planning any efforts.  
(Description/Explanation on initiative details)  
- We have formulated a course of action to observe labor-related laws and regulations, including the maintenance of a safe and healthy working environment.  
- We deliberate safety measures in the workplace based on risk assessment in our safety and health committee, and ensure thorough observance of safety rules through on-site patrols. |
| Code : page 9 | Regarding the implementation of employment procedures and labour management in accordance with the laws of foreign and migrant workers (including technical intern trainees),  
- we have a relevant policy/plan/code of conduct;  
- we are taking preventive measures based on relevant rules/systems;  
- we are conducting awareness-raising/dissemination;  
- we are making other efforts;  
- we are not doing anything in particular, but are planning some efforts;  
- we are not making or planning any efforts.  
(Description/Explanation on initiative details)  
- When employing a foreign worker or a migrant worker, we confirm that the worker has a legitimate qualification for employment.  
- We have a system to provide appropriate advice and support in which we accept questions and consultations from foreign national employees in English or their native language on working conditions, including wages, as well as matters such as regarding daily diet and medical treatment.  
- We hold training for senior management and management-level employees at workplaces to which foreign national employees are assigned. |
<table>
<thead>
<tr>
<th>(5) Economy</th>
<th></th>
</tr>
</thead>
</table>
| i. Prevention of corruption | Regarding the prevention of corruption such as bribery of civil servants,  
- we have a relevant policy/plan/code of conduct;  
- we are taking preventive measures based on relevant rules/systems;  
- we are conducting awareness-raising/dissemination;  
- we are making other efforts;  
- we are not doing anything in particular, but are planning some efforts;  
- we are not making or planning any efforts.  
(Description/Explanation on initiative details)  
- We have formulated action guidelines on the prevention of bribery.  
- We have prepared anti-bribery guidelines, and are working to make them known to all employees. In particular, we provide thorough education for employees in charge of procurement.  |
| Code : page 9 |  |
| ii. Fair business practices | Regarding the promotion of fair business practices that comply with anti-trust acts and subcontracting laws,  
- we have a relevant policy/plan/code of conduct;  
- we are taking preventive measures based on relevant rules/systems;  
- we are conducting awareness-raising/dissemination;  
- we are making other efforts;
